

# Advising Communities

## **Volunteer Recruitment Process**

All volunteers are engaged via the same recruitment process which entails:

- Informal interview (can include IT skill test)
- DBS check (at no cost to the volunteer unless you end the placement 2 months of the placement start date),
- Professional References collection
- Induction training and trial period.

### **What's in it for you**

Gaining direct experience of delivering high quality customer care and supporting clients through difficult times. Volunteering with Advising Communities generates further transferable skills as we encourage you to attend relevant training, developing new skills and putting existing skills to good use. You will be getting invaluable work experience and simultaneously getting involved with the community
